Accountant - T2 Focus (Full-Time)

Would you be up for a Where's Waldo challenge? Do you have an "always be learning" attitude? Can you play nice with both humans and technology? Love tackling both personal and corporate tax?

Puzzle Master

Nerves of Steel

Constantly Learning

We Have:

- Great on the job training
- Positive work environment
- An open mind for new ideas and methodologies
- Lots of learning and autonomy
- An endless supply of coffee
- Dog friendly office (yes you will find dogs curled up around the office)

You Have:

- Minimum of 2-3 years experience in an accounting firm, including compilation engagements and/or assurance
- Ability to prepare corporate and personal tax returns
- In the process of or already have your CPA designation
- Ability to see the big picture and figure out steps to get there
- A precise attention to detail and a desire to build a strong foundation of accounting skills with a forward-looking mind set
- The motivation to learn and constantly improve processes and tools
- Huge love of technology with an "I fear no app or software" attitude

You might also have:

- A passion for helping businesses build and grow
- The ability to work virtually
- Possible knowledge of: Xero, Google, Taxprep/iFirm, Caseware, CRM tools, etc. (Excel is a must)

To land this full-time role, you need to have academic and/or professional education in the accounting field and be very comfortable with technology. And your tech knowledge doesn't have to be via traditional learning avenues - internships, volunteer work, side projects, and self taught skills count. Just make sure we can see where you picked up your skills somewhere in your application. Windsor based applicant preferred but strong remote candidates will be considered. Please send your cover letter and resume to: hr@hawkins-accounting.ca.
